SUMMARY

MCA postgraduate with skills in Python, MySQL, Power BI, and Data Analytics. Experienced in developing AI-based applications using NLP and Large Language Models. Strong analytical, problem-solving, and communication abilities with a keen interest in Data Analytics, Business Intelligence, and AI-driven solutions.

EDUCATION

Babu Banarasi Das University, Lucknow Master of Computer Applications (MCA)	2024–2026 CGPA: 8.65/10
Dr. Ram Manohar Lohia Avadh University Bachelor of Science (Mathematics)	2021–2024 74%
Sainik Inter College, Bahraich Intermediate (PCM)	2021 79%
Sainik Inter College, Bahraich High School	2019 78%

PROJECTS

AI-Based Natural Language to SQL Query Generator

- Developed an AI-powered system using Python, MySQL, and Ollama to convert natural language into SQL queries.
- Leveraged NLP and LLMs to generate context-aware SQL statements from user input.
- Enabled non-technical users to access database information without writing SQL manually.

Text Editor and Plagiarism Checker

- Developed a text editor integrated with plagiarism detection features.
- Applied NLP and cosine similarity techniques to compare text documents.
- Automated duplicate-content detection and originality verification.

AI-Powered Credit Card Fraud Detection System

- Built a fraud detection system using Machine Learning classification models.
- Performed data preprocessing, feature engineering, and model evaluation.
- Improved fraud identification accuracy on transaction datasets.

Big Data Enabled Prediction of Solar Storms

- MCA dissertation focused on solar storm prediction using large datasets.
- Performed data cleaning, preprocessing, and exploratory analysis using Python.
- Identified patterns and trends in solar activity data.

EXPERIENCE

Industrial Trainee – Data Analyst SIGMAIT Software Development Pvt. Ltd., Lucknow	Apr 2026
---	----------

- Completed 90-day Industrial Training in Data Analytics and Business Intelligence.
- Worked on data cleaning, reporting, and dashboard development.
- Utilized Python, Excel, and visualization tools to generate business insights.

SKILLS

Languages: Python, Java

Databases: MySQL

Data Analytics: Power BI, MS Excel, Data Visualization, Data Cleaning

AI/ML: Machine Learning, NLP, Ollama, Large Language Models (LLMs)

Web Development: HTML, CSS

Tools: Git, VS Code, Android Studio, MS Word, MS PowerPoint

ACHIEVEMENTS & CERTIFICATIONS

- AINCAT 2025 (AIR 129) – Secured All India Rank 129 in Naukri Campus aptitude test.
- AI Dashboards using Microsoft Power BI (2025) – Certification in dashboard development and AI-powered analytics.
- Software Exhibition (2024) – Participated in MCA Software Exhibition, BBD University.
- Software Exhibition (2025) – Presented project work at MCA Software Exhibition, BBD University.
